

The Infinity Group Management Recognition Program

Pictured Above: Brett Daniel, Juan Levario, Eric O'neal, Darrell Morris

Date: 9-12-2013

Name: Juan Levario

Superintendent: Mike Terry

Company: Infinity Maintenance Services, LP

While Juan was changing a rupture disc, he noticed several vessels in the area that had the wrong rupture discs installed. He notified supervision and after an investigation, Juan was correct in his findings. Due to his diligence, Juan saved an incident and a plant upset. We thank Juan for his dedication and support in all aspects of his job. Great job.
